# Intro to Web Development

Jim Rudolf
Barcelona Coding School
March 12-13, 2016

# How We'll Work

- portions of: HTML, CSS and JavaScript/jQuery
- lots of hands-on
- we do *not* have time to go in depth
- we'll get just a taste, then you'll be able to continue on your own with resources

# Access Info

- Talent Garden Wi-Fi
- FTP and web server for exercises
- slack.com for messaging

# Tools We'll Use (and Suggestions)

- text editor
  - Adobe Brackets: brackets.io
- web browser
  - Google Chrome: www.google.com/chrome
- FTP client
  - FileZilla: filezilla-project.org
- messaging tool
  - FileZilla: slack.com

# Resources

- www.w3schools.com
- developer.mozilla.org
- html5doctor.com
- validator.w3.org (HTML validator)
- jigsaw.w3.org/css-validator (CSS validator)
- jquery.com

# Get Ready...

- I'll give you PDFs of the slides
- I recommend you create a folder on your laptop to keep all the exercises together
